Principal's Business

Mrs. Steele discussed ICE Packets – these packets will be sent home with students to be completed on days where weather prevents students from coming to school and such day is designated as and "ICE" day. The local media outlets will indicate that the day is an "ICE" day and your child will be expected to complete a packet that day and return it to school on the next school day.

Teacher Business

Mrs. Randolph reminded the parents to please send in healthy snacks as sugary snacks make it difficult for the children to sit through the rest of the day.

Old Business

Pool Party Report – It was a fun event hosted by the PTA. Over 40 pizzas were consumed and over 10 gallons of drinks. We had a large turnout of students, their families, teachers and staff members.

New Business

Race for Education – This is the PTA's only fundraiser of the year. It will replace the fall festival that has traditionally taken place in the fall. It will be an event where each student will get to walk/run/exercise for one hour during the school day. They will be asked to get donations to sponsor them. They will be able to earn prizes for the number of donations they receive. There are fun items like sit by a friend at lunch, principal for a day, gift card drawings and two iPad giveaways. We are hoping to raise \$15,000 to support our students, teachers and our events. That is less than \$30 a student.

iWalk – This is an annual event that takes place each Wednesday in October. Students can be dropped off at the church, 1 block away and teachers and volunteers will walk them to school. There will be special guests that will also help walk the kids to school.

Next Meeting is October 4 at 6:00 pm
